

Young Executive Programme

Background

Young Executive Programme (YEP) is an exclusive session at the Hong Kong Forum that aims to foster cooperation and networking of the worldwide young members of the Federation and the local young entrepreneurs in Hong Kong. The programme provides opportunities for participants to get inspiration from success stories of young entrepreneurs in Hong Kong and exchange perspectives in an interactive manner. It would be conducted **Hybrid** this year.

Themed “Sustainability - Shaping the Future Business Landscape”

With increasing global awareness of sustainability, it is no longer a “good-to-have” initiative but a core corporate strategy every business needs to factor in when making business decisions. This session provides an insightful perspective from a panel of young entrepreneurs on how they see sustainability shapes the international business landscape and leads to new business opportunities.

About Federation of Hong Kong Business Associations Worldwide and Hong Kong Forum

The Federation of Hong Kong Business Associations Worldwide (The Federation), founded in 2000, is a global network of 11,000+ members representing 47 associations in 36 countries and regions. These Hong Kong Business Associations were founded by overseas traders, buyers and professionals with strong ties to Hong Kong for the purpose of networking and exchanging of business information and ideas.

Organised by the Hong Kong Trade Development Council (HKTDC) and the Federation, the Hong Kong Forum is the annual flagship event of the Federation. Every year, the Forum gathers the member associates of the Federation to learn about the latest developments and business opportunities of Hong Kong and Mainland China and to network with like-minded business executives from around the world.
